Employees Vote In Favor of Union Shop

Hourly production and maintenance employees at Titan voted 812 to 115 in favor of a Union Shop at an election held in the Company's plants on Tuesday, April 16, 1957. There were two blank ballots cast, and 76 of the 1005 eligible employees failed to vote.

The election was conducted by Rev. Hugh M. Crawford, Msgr. Thomas J. O'Shea and Burgess Hugh M. Quigley. Checkers were Charles A. Eckenroth, Sr. for the Company and John Ebeling for the Union.

The above photo was snapped at the Plant No. 1 voting station, located in the Time Office, while balloting was in process.
